- 8.4 The limitations of liability contained in this clause 8 shall not apply to any liability for any claim to the extent that the same is attributable to fraud on the part of the Issuer or the Parent.

9. FORCE MAJEURE

The Parent shall not be liable or responsible to the Purchaser, nor be deemed to have defaulted under or breached this Purchase Agreement, in each case, for any failure or delay in fulfilling or performing clause 5.2 of this Purchase Agreement, if and to the extent that such failure or delay is caused by, or results from, acts beyond the affected party's reasonable control, including, without limitation: (a) acts of God; (b) flood, fire, earthquake or explosion; (c) war, invasion, hostilities (whether war is declared or not), terrorist threats or acts, or other civil unrest; (d) applicable law or regulations; (e) action by any Governmental Authority; or (f) technological changes (including changes imposed by platforms or networks on which applications related to the Tokens and the TON Network would be made available).

- 12.2 To the extent the Issuer notifies the Purchaser under clause 12.1(c) above to make the payment to an account of the Parent, the parties agree and acknowledge that the Issuer’s right to receive that payment shall be deemed assigned to the Parent in accordance with the Issuer’s assignment rights under clause 10.3.

13. CONFIDENTIALITY

13.1 Subject to clause 13.2, the Purchaser agrees that:

- (a) the Purchaser shall, and shall cause its Affiliates and representatives and any Purchaser Investor to, (i) keep this Purchase Agreement and any other information provided to the Purchaser or its Affiliates or representatives or any Purchaser Investor by or on behalf of the Issuer or the Parent secret at all times, except with the prior written consent of the Issuer and the Parent, (ii) not disclose such information or allow such information to be disclosed in whole or in part to any third party without the prior written consent of the Issuer and the Parent, (iii) not use such information in whole or in part for any purpose other than in connection with the transactions contemplated by this Purchase Agreement, and (iv) undertake to take all reasonable measures to ensure the confidentiality of this Purchase Agreement and any other information provided to the Purchaser or its Affiliates or representatives or any Purchaser Investor by the Issuer or the Parent; and
- (b) the Purchaser shall not, and shall cause its Affiliates and representatives and any Purchaser Investor to not, without the prior written consent of the Issuer and the Parent, use the Issuer or the Parent's name or logo, or the name or logo of any of their Affiliates or representatives, in any manner or format (including in any reference in or links to websites, press releases or otherwise).

13.2 Notwithstanding the obligations set forth in clause 13.1, the Purchaser may, without the prior written consent of the Issuer or the Parent, disclose to a third party this Purchase Agreement and any other information provided to the Purchaser or its Affiliates or representatives or any Purchaser Investor by or on behalf of the Issuer or the Parent to the extent required by applicable law (including any applicable rule or regulation or by subpoena, writ, warrant, order or directive of a court, arbitrator or governmental regulatory body, agency or authority), in which case the Purchaser shall (i) promptly notify the Issuer and the Parent of such requirement and cooperate with the Issuer and the Parent to limit the information disclosed to only such information that the Purchaser, as advised by counsel, is required by applicable law to disclose and (ii) seek to obtain a protective order over, or confidential treatment of, such information.

14. INVALIDITY

If at any time any provision of this Purchase Agreement shall be held to be illegal, void, invalid or unenforceable in whole or in part under any applicable law, then:

- (a) such provision shall:
 - (i) to the extent that it is illegal, void, invalid or unenforceable be given no effect and shall be deemed not to be included in this Purchase Agreement; and
 - (ii) not affect or impair the legality, validity or enforceability in that jurisdiction of any other provision of this Purchase Agreement or the legality, validity or enforceability under the applicable law of any other jurisdiction of such provision or any other provision of this Purchase Agreement, provided that such severance would not materially change the remaining terms of this Purchase Agreement; and
- (b) the Parties shall use all reasonable endeavours to replace such a provision with a valid and enforceable substitute provision that carries out, as closely as possible, the intentions of the Parties under this Purchase Agreement.

15. VARIATION AND WAIVER

- 15.1 Any provision of this Purchase Agreement may be varied only upon the written consent of the Issuer, the Parent and the purchasers party to a Stage A Purchase Agreement who have agreed to purchase a majority, in the aggregate, of the Purchase Amounts paid to the Issuer with respect to this Purchase Agreement and the other Stage A Purchase Agreements outstanding at the time of such variation, provided that any non-substantive or immaterial variation to a provision of this Purchase Agreement, or a variation which does not put a purchaser under a Stage A Purchase Agreement in a less favorable commercial position than the Purchaser (other than as reflected by the different number of Tokens subscribed for by such other purchasers), shall be effective if it is in writing and signed by or on behalf of each of the Parties. The expression “variation” shall, in each case, include any variation, supplement, deletion or replacement however effected. Notwithstanding the foregoing, no provision in this Purchase Agreement may be varied and the observance of any term hereof may not be waived with respect to the Purchaser without the written consent of the Purchaser if such variation or waiver adversely affects the Purchaser materially and disproportionately relative to purchasers under the Stage A Purchase Agreements (other than as reflected by the different number of Tokens subscribed for by such other purchasers).
- 15.2 No waiver of this Purchase Agreement or of any provision hereof will be effective unless it is in writing (which, for this purpose, does not include email) and signed by the Party against whom such waiver is sought to be enforced.
- 15.3 Any waiver of any right, claim or default hereunder shall be effective only in the instance given and will not operate as or imply a waiver of any other or similar right, claim or default on any subsequent occasion.
- 15.4 Any failure or delay by any person in exercising, or failure to exercise, any right or remedy provided by law under this Purchase Agreement shall not impair or constitute a waiver of that right or remedy or of any other right or remedy and no single or partial exercise of any right or remedy provided by law or under this Purchase Agreement or otherwise shall prevent any further exercise of the right or remedy or the exercise of any other right or remedy.

16. ENTIRE AGREEMENT

- 16.1 Each Party confirms that the content of this Purchase Agreement as expressly set out herein represents the entire understanding, and constitutes the entire agreement of the Parties, in relation to the subject matter hereof and the transactions contemplated hereby, and supersedes all previous agreements, understandings or arrangements (whether express, implied, oral or written (whether or not in draft form)) between the Parties with respect thereto (including any letter of intent or indication of interest, but excluding any confidentiality agreement or any confidentiality provision in any letter of intent or indication of interest), which shall cease to have any further force or effect.
- 16.2 Each of the Parties acknowledges that in entering into this Purchase Agreement it has agreed not to rely on any representation, warranty, collateral contract, undertaking or other assurance (except the Issuer’s Warranties, the Parent’s Warranties and the Purchaser’s Warranties and undertakings expressly set out in this Purchase Agreement, the Rep Letter Questionnaire, any Rep Letter and the KYC Form) made by or on behalf of any other Party before the signature of this Purchase Agreement, including during the course of negotiating this Purchase Agreement.
- 16.3 Each of the Parties waives all rights and remedies which, but for this clause 16.3, might otherwise be available to it in respect of any such representation, warranty, collateral contract,

undertaking or other assurance, provided that nothing in this clause 16.3 or clause 8 shall limit or exclude any liability for fraud or fraudulent misrepresentation.

16.4 Each of the Parties acknowledges that all of its rights and remedies are contained or referred to in this Purchase Agreement, and no Party shall have any other right or remedy, including a claim for innocent or negligent misrepresentation or negligent misstatement.

16.5 Every term or condition implied by law in any jurisdiction in relation to the subject matter of this Purchase Agreement shall be excluded to the fullest extent possible, and to the extent that it is not possible to exclude any such term or condition, each Party irrevocably waives any right or remedy in respect of it.

17. FURTHER ASSURANCE

Without limiting any other provision of this Purchase Agreement, the Purchaser shall, and shall cause its Affiliates to, execute and deliver such additional documents, instruments, conveyances and assurances and take such further actions as may be reasonably requested by the Issuer to implement and give full effect to this Purchase Agreement, including, without limitation, to enable the Issuer and the Parent to comply with applicable laws.

18. COUNTERPARTS

This Purchase Agreement may be executed in counterparts, and by each Party on separate counterparts, but shall not be effective until each Party has executed at least one counterpart. Each counterpart shall constitute an original of this Purchase Agreement, but the counterparts shall together constitute one and the same instrument. Delivery of a counterpart of this Purchase Agreement by email attachment shall be an effective mode of delivery.

19. TIME OF THE ESSENCE

Time shall be of the essence in respect of any dates, times and periods specified in clause 2.2 of this Purchase Agreement and in respect of any dates, times and periods which may be substituted for that in accordance with this Purchase Agreement, or by agreement in writing between the Parties.

20. THIRD PARTY RIGHTS

The Parties do not intend that any term of this Purchase Agreement should be enforceable by any person who is not a party to this Purchase Agreement by virtue of the Contracts (Rights of Third Parties) Act 1999 or otherwise.

21. GOVERNING LAW AND JURISDICTION

21.1 This Purchase Agreement and any claim, dispute or difference (including non-contractual claims, disputes or differences) arising out of, or in connection with, it or its subject matter shall be governed by, and construed in accordance with, English law.

21.2 Any claim, dispute, controversy or difference arising out of or in connection with this Purchase Agreement, including any question regarding its existence, validity or termination, shall be referred to and finally resolved by binding arbitration under the Rules of Arbitration (the “**Rules**”) of the London Court of International Arbitration (the “**LCIA**”), which Rules are deemed to be incorporated by reference into this clause 21.2.

21.3 There shall be three arbitrators, and the Parties agree that one arbitrator shall be nominated by the Issuer and the Parent, and one arbitrator shall be nominated by the Purchaser, in each case

for appointment by the LCIA in accordance with the Rules. The third arbitrator, who shall act as the chairman of the tribunal, shall be nominated by agreement of the two Party-appointed arbitrators within fourteen days of the confirmation of the appointment of the second arbitrator, or in default of such agreement, appointed by the LCIA.

- 21.4 The Parties consent to the consolidation of arbitrations commenced under this Purchase Agreement and other All Purchase Agreements as follows:
- (a) if two or more arbitrations are commenced under this Purchase Agreement and/or other All Purchase Agreements, the arbitral tribunal shall have the power, upon the application of any party, to order that the arbitrations be consolidated into a single arbitration before that arbitral tribunal (a “**Consolidation Order**”);
 - (b) the party making the request shall provide copies of any request for consolidation to all other applicable parties and to any appointed arbitrators;
 - (c) in determining whether to make such a Consolidation Order, the arbitral tribunal shall take into account the circumstances of the case, including whether the arbitrations raise common issues of law and fact, and whether a Consolidation Order would serve the interests of justice and efficiency;
 - (d) if, before a Consolidation Order is made by an arbitral tribunal with respect to another arbitration, arbitrators have already been appointed by the LCIA in that other arbitration, their appointment shall be terminated upon the making of such Consolidation Order. Such termination is without prejudice to the validity of any act done or order made by an arbitrator prior to his or her termination; his or her entitlement to fees and disbursements, or any Party’s entitlement to legal and other costs incurred before termination; and the date when any claim or defence was raised for the purpose of applying any limitation bar or any like rule or provision; and
 - (e) in the event of two or more conflicting Consolidation Orders, the Consolidation Order that was made first in time shall prevail, unless all parties agree otherwise.
- 21.5 The seat, or legal place, of arbitration shall be London, England.
- 21.6 The language to be used in the arbitral proceedings shall be English.
- 21.7 The award shall be final and binding on the Parties and may be entered and enforced in any court having jurisdiction.
